Chicago - 312.685.6622

Esti is a detail-oriented and highly adaptable paralegal with over 14 years of litigation experience, providing comprehensive support to attorneys at every stage of the litigation lifecycle, from case inception to trial. She is highly skilled in drafting pleadings, discovery requests and responses, subpoenas, and trial materials.

In addition to her litigation expertise, Esti brings four years of specialized experience in franchise regulation, assisting attorneys with client state franchise filings in both registration and business opportunity states. Her technical proficiency includes legal research using LexisNexis and Westlaw, document review with Relativity, and electronic filing in state and federal courts. Esti excels at handling case management, franchise registration compliance, and the discovery process. As a native Spanish speaker, she offers valuable bilingual capabilities that enhance communication and client service.
