Cincinnati - 513.698.5088

With over 15 years of experience, Nicholas brings deep knowledge and a practical, client-focused approach to every matter he handles. He assists with probate, estate, and trust matters and works extensively with the Probate Court. As an experienced paralegal, Nicholas manages a wide range of responsibilities, including drafting and filing probate documents, preparing court accountings for estates, guardianships, and trusts, and managing complex case files. He also supports estate planning work and name change cases.

In addition to his probate and estate work, Nicholas has significant experience assisting with real estate transactions, from simple deed transfers to complex closings involving real estate and asset purchase contracts, closing statements, and leases. He is also skilled in legal research, including title searches, court records, asset location, and background investigations. Nicholas maintains strong relationships with clients and consultants.

Nicholas has interacted with a wide range of courts, including Bankruptcy, Common Pleas, Probate, Domestic Relations, and the Sixth Circuit Court of Appeals.
